ANSWERS TO YOUR NEEDS

Our tailor made service is based on what's the Client is looking for.

Yachts, no matter their sizes, require an on-going assistance and problem solving along their life.

Sirius "Yacht CLUB" is a service meant to share with you our contacts, experience and worldwide reputation, through our shipping expertise.

Do you want a mooring space in Capri or in any other port right in mid of the summer season?

Our concierge service can provide.

Are you looking for skilled crew?

Our Yacht Management service is ready to help you.

Do you need a reliable mechanic to solve an emergency or just for usual maintenance?

Are you considering to buy a yacht and need a consultant?

Do you need a budget or crew-payrolls management or the best bunkering solutions?

We have answers to any need, just give us a call to taste our style.

YACHT IS AN APTITUDE

A natural ability to “manage”: mostly we manage commercial vessels but we dedicated our “club” to the yacht management.

A yacht is a small world of relax where professional crew takes care of you, your families and friends, sailing together in peaceful waters.

The tailor-made service is in our DNA and yachting is made of that.

Main Expertises are our partners and we count on long lasting experience to give the best service we can and suggestions to go in the right direction.

FALL IN LOVE

The love for the sea is the leading power that moves us.

The love for our Clients leads us to help and support them when their dream comes true.
Our dream is to be skilled enough to make our Clients' dreams come true.

MAKE A WISH

A dream to suit your expectations.

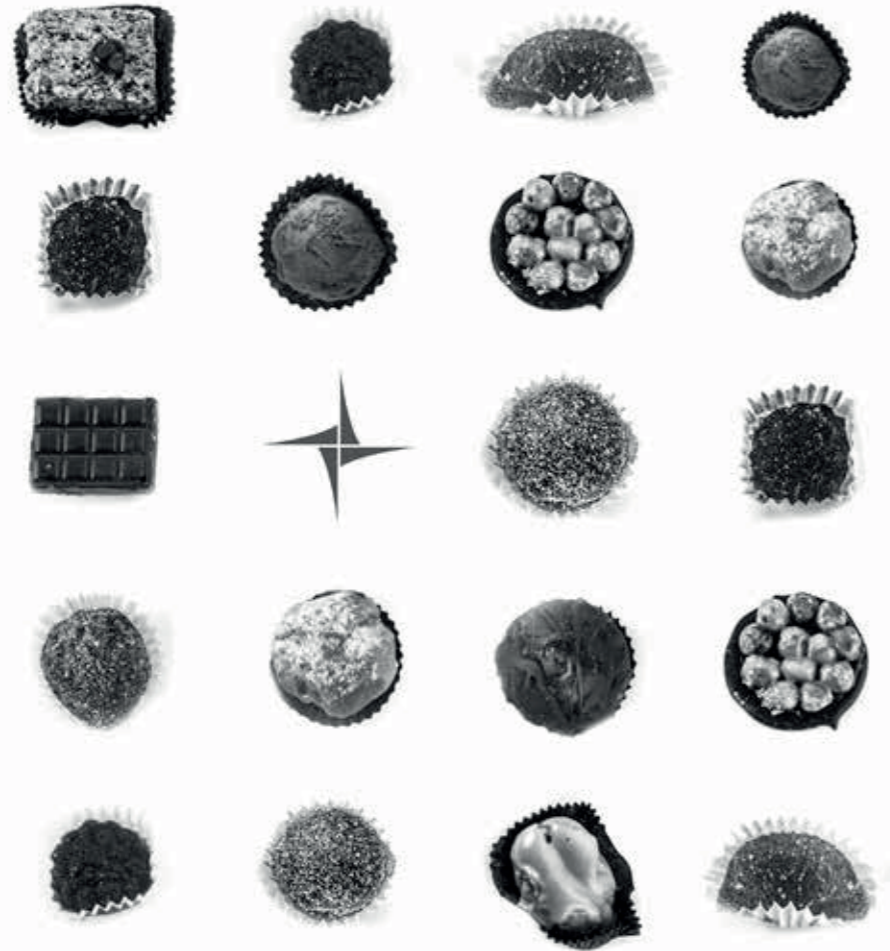

Having a yacht is giving a “shape” to an idea and never stop dreaming.

Sirius can support your choice of type of yacht with expertises’ suggestions also from the financial point of view, through what:

- Builders are offering.
- Market is offering.
- You’re desiring.

If you have a yacht leisure or commercial and you just want to enjoy life and spare time and efforts, you are our ideal Client and we can be your ideal supplier!
